If I'm not in class, I'm usually in my office and available for drop-ins. Just give me a call and I'll meet with you (if I'm not already meeting with a student). If you prefer, send me an email (with your schedule) to make an appointment and I will send you a confirmation email. Making an appointment will guarantee you a time slot. Email is always the best way to reach me. Below is my tentative availability each week:
